IUCN is the world’s oldest and largest global environmental organisation, with more than 1,200 government and NGO members and almost 11,000 volunteer experts in some 160 countries. IUCN’s work is supported by over 1,000 staff in 45 offices and hundreds of partners in public, NGO and private sectors around the world. IUCN, International Union for Conservation of Nature, helps the world find pragmatic solutions to our most pressing environment and development challenges. IUCN works on biodiversity, climate change, energy, human livelihoods and greening the world economy by supporting scientific research, managing projects all over the world, and bringing governments, NGOs, the UN and companies together to develop policy, laws and best practice.

IUCN – International Union for Conservation for Nature, Eastern and Southern Africa (IUCN ESARO) wishes to request for proposals (RFP) as follows:

1. **RFP/01/2020: PROPOSED TOILET BLOCK ON PLOT LR. NO. 7413/11, KAREN, NAIROBI FOR IUCN.**

RFP details and documents are available on the company website: [https://www.iucn.org/procurement/currently-running-tenders](https://www.iucn.org/procurement/currently-running-tenders). All quoted prices must remain valid for a period of 90 days after the tender opening and must include all government taxes.

Tenderers should complete the tender documents as directed and return the same in a plain sealed envelope, clearly marked “MAIN CONTRACT, Bills of Quantities.” The set of Documents should be returned to our offices Along Mukoma Road off Magadi road to reach us NOT LATER THAN 9.00 AM ON FRIDAY 14TH February 2020.

Tenderers are advised to note that this shall be a fixed price contract and the fluctuations clause shall not apply. The lowest, or any, or any portion of any tender submitted will not necessarily be considered.

In no cases will expenses incurred by the tenderers in the preparation of their tenders be reimbursed. Bidders should have a valid NCA certificate, category 6, 7 or 8. Any discount which the tenderer shows in his Bills of Quantities must be calculated on the amount of the Builder’s work only, that is, excluding Contingencies, Prime cost and Provisional sums. All tender documents must be completed in Black or Blue Ink.

Tenderers are advised to visit the site to familiarize with the site conditions. There shall be a site visit on 12 and 13th February, 2020 between 2 and 4pm on both days. Tenderers to attach a copy of their company profile indicating completed and ongoing projects of a similar nature.
