We began this year with renewed focus on understanding your expectations, interests and expertise. Thank you to everyone who took the time to complete the short survey. The results will feed into our Strategic Plan for 2017-2020, as well as direct how best to develop the network.

I am also very pleased to announce the appointment of Giulia Battaini, CEC's interim Project Assistant. Please direct all inquiries to her via email at cec@iucn.org.

In the next couple of months, we will roll out information specific to the 2016 World Conservation Congress; a huge thanks to the various CEC members who volunteered to review proposals. Your commitment to our mission is what makes CEC work. Please remember to inform us via this short questionnaire if your proposal has been accepted. We would like to include your event as part of the CEC calendar of activities at WCC.

Wishing you all the very best for the year!

Juliane Zeidler, IUCN CEC Chair
