

Forest Events @COP21

IUCN Pavilion: COP21 Blue Zone, Hall 3, Pavilion 5

1 December, 10:00-11:30, IUCN Pavilion

FORESTS OPEN HOUSE

Screening of IUCN's new *Restoration Opportunities Assessment Methodology* videos, followed by informal Q&A with IUCN experts on forest landscape restoration.

1 December, 12:15-13:45, IUCN Pavilion

BONN CHALLENGE IMPLEMENTATION: THE RESTORATION INITIATIVE

IUCN, FAO and UNEP showcase progress on The Restoration Initiative (TRI), a program to restore and maintain degraded and deforested landscapes at scale, developed for consideration by the Global Environment Facility and other donors.

Speakers: Carole Saint-Laurent (IUCN, moderator), Stewart Maginnis (IUCN), Tim Christophersen (UNEP), Ian Gray (GEF Secretariat), Julia Wolf (FAO)

1 December, 13:45-14:30, IUCN Pavilion

FORESTS OPEN HOUSE

Screening of IUCN's forest landscape restoration videos.

1 December, 14:30-16:00, IUCN Pavilion

LARGE-SCALE RESTORATION AMBITION

Representatives of national governments and subnational entities will showcase ambition in landscape restoration implementation. In-country progress will be highlighted as well as leadership from non-traditional power brokers.

Speakers: Stewart Maginnis (IUCN, moderator), Government of the Democratic Republic of the Congo, Shira Yoffe (US Forest Service), Miguel Calmon (IUCN/Mata Atlantica Restoration Pact), Trevor Sandwith (IUCN)

1 December, 16:00-16:30, IUCN Pavilion

LEADERSHIP IN ACTION: SHOWCASE OF MEXICO'S NATIONAL REDD+ STRATEGY

This session will highlight Mexico's National REDD+ Strategy to cap off a 5-year process of elaboration and consultation with key stakeholders. The strategy has set ambitious goals for reducing deforestation and forest degradation by 2020.

Speaker: Jorge Rescala Pérez (CONAFOR)

3 December, 10:00-10:30, IUCN Pavilion

FOREST LANDSCAPE RESTORATION LEADERSHIP IN ACTION

This session explores the role of the private sector in forest conservation with Asia Pulp and Paper's new 1 million hectare commitment to the Bonn Challenge.

Speaker: Aida Greenbury (APP)

3 December 10:30-11:00, IUCN Pavilion

FOREST LANDSCAPE RESTORATION LEADERSHIP IN ACTION

This session explores the restoration leadership by the Khyber Pakhtunkhwa Province of Pakistan, who made a Bonn Challenge commitment earlier in 2015 via their \$150M Billion Tree Tsunami initiative.

Speaker: Malik Amin Aslam Khan (Khyber Pakhtunkhwa Province, Pakistan/IUCN)

3 December, 11:00-12:30, IUCN Pavilion

FORESTS AND INDIGENOUS PEOPLE

Hosted by the Bianca Jagger Human Rights Foundation, this session will explore the linkages between forests and indigenous people.

Keynote speaker: Bianca Jagger (BJHRF/IUCN)

3 December, 12:30-13:00, IUCN Pavilion

FORESTS OPEN HOUSE

Screening of IUCN's REDD+ videos.

3 December, 13:00-14:30, IUCN Pavilion

ENSURING GENDER-RESPONSIVE REDD+ AND FOREST LANDSCAPE RESTORATION: EXAMPLES FROM POLICY AND PRACTICE

Hosted by IUCN's Global Gender Office and Global Forest and Climate Change Programme, this session examines the critical interface between forests and gender in the context of forest landscape restoration, benefit sharing, and rights-based decision making.

Speakers: Duncan Marsh (The Nature Conservancy), Xavier Nyingo Mugumya (Uganda), Milagros Sandoval (Conservation International), Patrick Wylie (IUCN), Lorena Aguilar (IUCN)

3 December, 14:30-15:00, IUCN Pavilion

FORESTS OPEN HOUSE

Open house for IUCN's new online publication: *Carbon Accounting: Best practices in approaches at various scales for forest landscape restoration*

3 December, 15:00-16:30, IUCN Pavilion

FOREST DEGRADATION: NEW FINDINGS ON GLOBAL SIGNIFICANCE AND RESPONSES

Hosted by Winrock International, new findings on the significance of forest degradation will be announced followed by a discussion of tools and approaches to monitor and account for degradation along with a panel discussion with country representatives.

Speakers: Ken Andrasko (Winrock International), Brian Bean (LEAF), Yaw Kwakye, (Ghana Forestry Commission), Stella Gama (Forestry Research Institute of Malawi), Angelo Sartori, (CONAF, Chile), Christine Dragisic, (REDD+ Focal Point, US Department of State), Patrick Wylie (IUCN)

3 December, 16:30-17:00, IUCN Pavilion

FORESTS OPEN HOUSE

Screening of IUCN's restoration and reforestation videos

3 December, 17:00-19:00, IUCN Pavilion

OPPORTUNITIES FOR INVESTMENTS IN FOREST RESTORATION AND REFORESTATION IN BRAZIL

This session will share the perspectives and experiences of governments, private sector and NGOs in the implementation of large-scale restoration and reforestation projects and opportunities for private and public investments in Brazil.

Speakers: Miguel Calmon (IUCN, moderator), Roberto Waack (Amata/Brazilian Coalition for Climate, Forestry and Agriculture), Marcio Macedo (BNDES), Bernardo Strassburg (IIS/Atlantic Forest Restoration Pact), Marcos Sossai (Espírito Santo State, Brazil), Bruno Mariani (Symbiosis Investimentos), Ana Yang (CIFF)

4 December, 10:00-10:45, IUCN Pavilion

THE MOZAMBIQUE NATIONAL INTEGRATED SUSTAINABLE RURAL DEVELOPMENT PROGRAM

The Government of Mozambique will present the National Integrated Sustainable Rural Development Program (Estrela) which will promote agriculture and forest-based value chains in rural areas. The government will also present the National REDD+ Strategy and may sign the Letter of Intent for the Zambezia Integrated Landscape Management Program with the FCPF Carbon Fund.

Speakers: Celso Correia (Minister of Land, Environment and Rural Development, Mozambique), Paula Caballero (World Bank), John Roome (World Bank)

4 December, 11:00-11:45, IUCN Pavilion

ETHIOPIA OROMIA FORESTED LANDSCAPE PROGRAM

This session will showcase the 10-year OFLP, and its contribution to a transformation in how forested landscapes are managed in Oromia to deliver multiple benefits such as poverty reduction and resilient livelihoods, climate change mitigation, biodiversity conservation, and water provisioning.

Speakers: Ato Zelalem Jemaneh (VP of Oromia and Head of Bureau of Agriculture), Tesfaye Gonfa (Oromia REDD+ Coordinator), Yigremachew Siyum (Director, Forest Policy, Strategy Development and Control Directorate, Ministry of Environment, Forest and Climate Change), Ato Didha Dirriba (Director General of Oromia Forest and Wildlife Enterprise), Yitebitu Moges (National REDD+ Coordinator Ministry of Environment, Forest and Climate Change)

4 December, 12:00-12:45, IUCN Pavilion

REDD+ IN THE REPUBLIC OF CONGO: A MULTI-STAKEHOLDER PROGRAMMATIC APPROACH

The Government of the Republic of Congo will focus on the importance of building public-private, for example, a partnership to rehabilitate the local cocoa market by using its strategic market position in the global cocoa sector.

Speakers: Georges Claver Boundzanga (REDD+ National Coordinator, Republic of Congo), Jean Dominique Bescond (CIB-OLAM), James Close (World Bank)

4 December, 13:00-14:00, IUCN Pavilion

FORESTS OPEN HOUSE

Open house for IUCN's new publication: *Enhancing food security through forest landscape restoration: Lessons from Burkina Faso, Brazil, Guatemala, Vietnam, Ghana, Ethiopia and Philippines*

9 December, 10:00-11:30, IUCN Pavilion

FOREST LANDSCAPE RESTORATION LEADERSHIP IN ACTION

This session will showcase country-level work on restoration, share experiences and gain knowledge from other participants.

Speakers: Senior government officials from Burundi, El Salvador and Honduras

9 December 11:30-12:00, IUCN Pavilion

FORESTS OPEN HOUSE

Screening of IUCN's award-winning documentary, *Equipping Uganda for restoration: Radio and apps for reforesting landscapes*, and launch of joint publication

9 December, 12:00-1:30, IUCN Pavilion

LAND USE AND MEETING THE TWO-DEGREE GOAL

Land-use experts discuss the implementation of NDCs through activities in the land sector and how it needs to be accounted for in order to be ambitious and additional. Brief presentations by a panel will be followed by facilitated discussion.

Speakers: Jason Funk (UCS), Josefina Braña-Varela (WWF), Patrick Wylie (IUCN)

Forest Events @GLF

Global Landscapes Forum: Le Palais des Congrès, 2 Place de la Porte Maillot, Paris

5 December, 12:15-13:45, GLF, Room 241

LANDSCAPE RESTORATION SNAPSHOT: POTENTIAL FOR ACHIEVING OLD AND NEW CLIMATE AMBITIONS

This discussion forum will focus on experiences with and lessons learned from large-scale restoration; institutional, governance and biophysical challenges during project design and implementation; and financing mitigation and adaptation in agricultural landscapes.

Speakers: Stewart Maginnis (IUCN, host), Peter Besseau (GPFLR, moderator), Emmanuel Niyonkuru (Burundi), Carlos Klink (Brazil), Gustavo Fonseca (GEF Secretariat), Bianca Jagger (BJHRF/IUCN), Viliardo Daz (Guatemala)

5 December 13:45, GLF, Amphitheatre Bleu

GLF PARTNER VIDEO AWARDS

Premiere screening of IUCN's video documentary, *Equipping Uganda for restoration: Radio and apps for reforesting landscapes*, as one of the award-winning videos

6 December, all day – GLF, Booth 47

IUCN'S GLOBAL FOREST AND CLIMATE CHANGE PROGRAMME

Visit our booth and be a part of the multimedia news-sharing and events; check out the latest knowledge tools and resources from IUCN's work with partners on the ground around the globe.

6 December, 9:00-10:30, GLF, Room 253

STRENGTHENING LAND AND RESOURCE RIGHTS THROUGH REDD+: POLICY AND PRACTICE SUCCESSSES

This session will explore why equity and resource tenure security are important for the effectiveness and sustainability of REDD+, as well as for increasing non-carbon benefits, and will address practical measures to achieve these objectives.

Speakers: James Murombedzi (UN Economic Commission for Africa, moderator) Andrea Quesada (IIED/IUCN/REDD+ SES), Grace Wong (CIFOR), William Sunderlin (CIFOR), Matt Sommerville (Tetra Tech/USAID), Phil Franks (REDD+ SES/IIED)

6 December, 13:30-14:15, GLF, Room 251

YOU ARE THE RESTORATION LEADERS - A GLOBAL LANDSCAPES FORUM LAUNCHPAD

National and subnational ministers, corporate leaders and officials will announce commitments to the Bonn Challenge, and highlight the progress already being made and tools that have been developed to support this implementation.

Speakers: Inger Andersen (IUCN), Jochen Flasbarth (Germany), Emmanuel Niyonkuru (Burundi), José Antonio Galdames (Honduras), Government of India, Aida Greenbury (APP), Malik Amin Aslam Khan (Khyber Pakhtunkhwa Province, Pakistan/IUCN), Eduardo Adolfo Batllori Sampedro (State of Yucatan, Mexico), Carlos Antonio Munoz Berzunza (State of Quintana Roo, Mexico), Roberto Alcala Ferraez (State of Campeche, Mexico)
