

IUCN Conservation Center Safety Procedures

Photos: © Holcim Foundation

In Case of Emergency

Keep calm!

1. Report the fire:

Activate fire alarm and
Phone 9-118 Alarm fire brigade

Who is calling ?
What has happened ?
How many are involved/injured ?
Where did it happen ?
Wait for questions !

2. Get people to safety

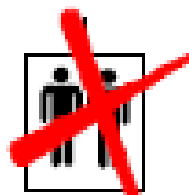

= Evacuation!

Give priority to people at risk.

Close doors.

Follow marked ways.

Do not use elevators.

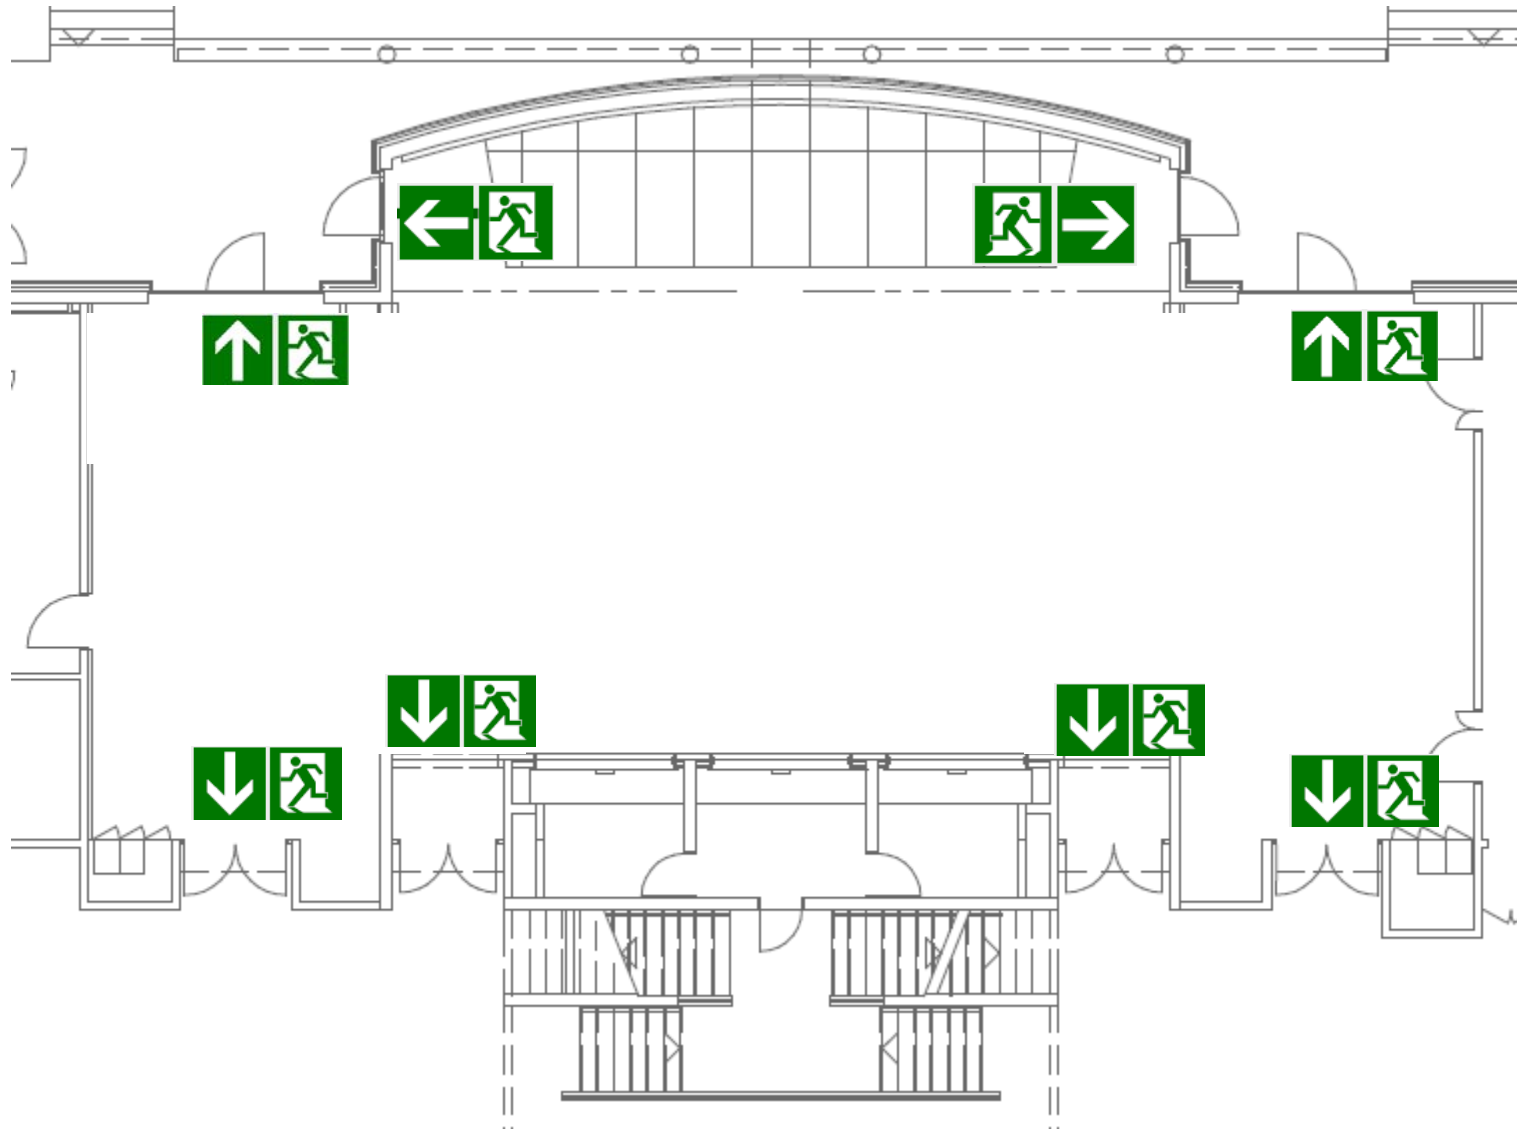

Follow the instructions.

3. Attempt to extinguish:

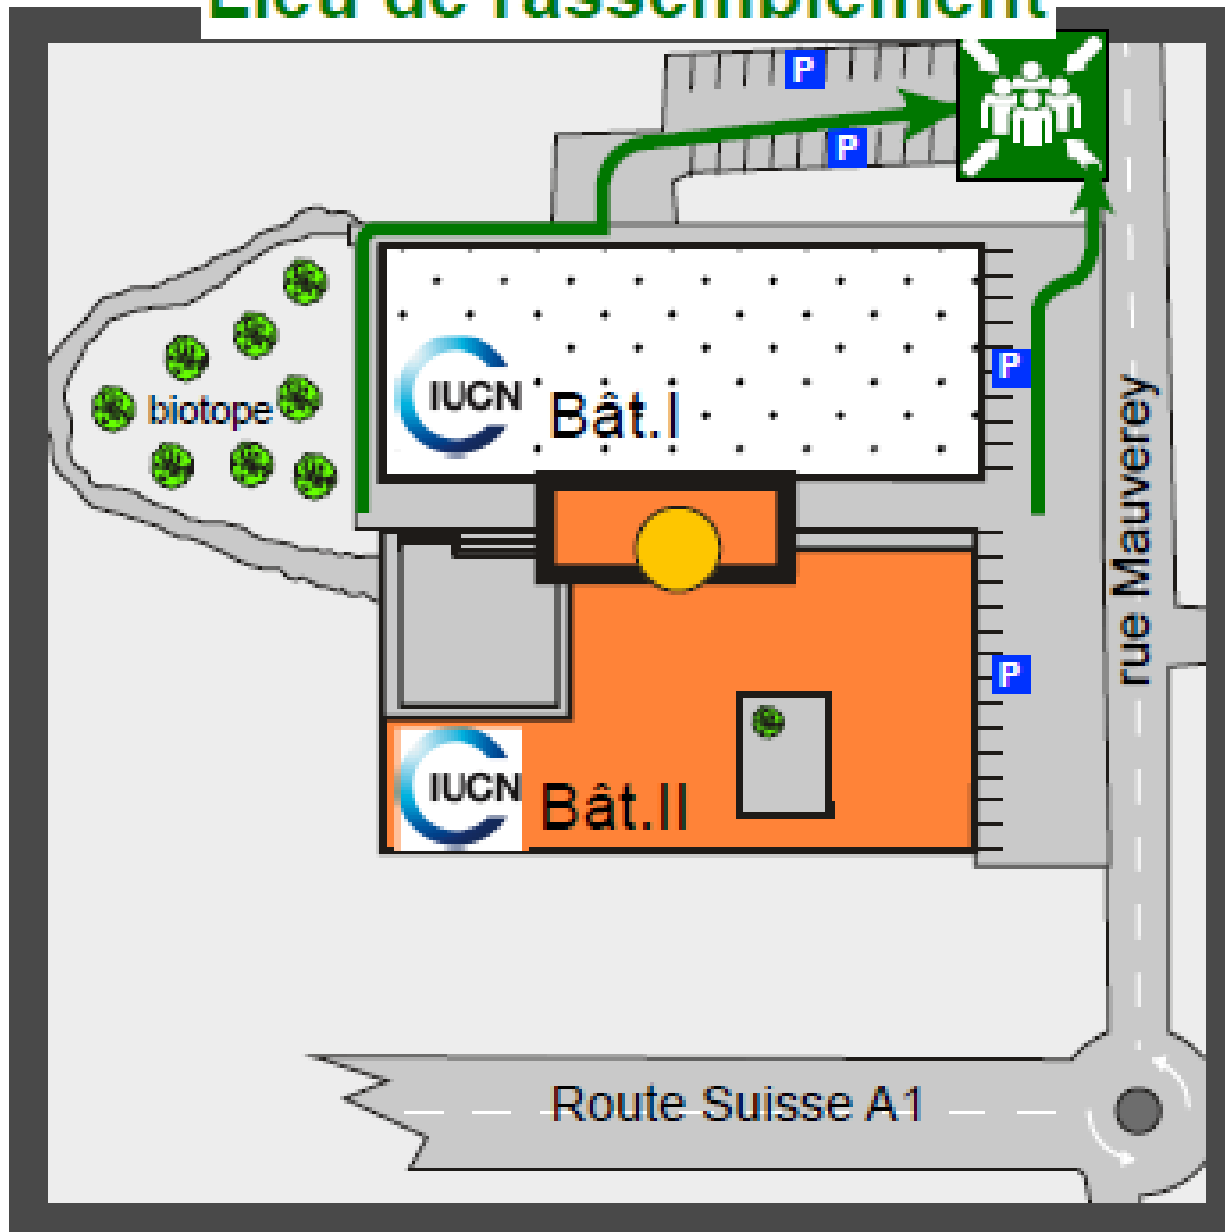

Use fire-extinguisher.
