

The 3rd Tripartite Meeting of IUCN members of China, Japan, and Korea

September 8-9, 2018

Beijing, China

Agenda

This Third tripartite meeting aims to facilitate cooperation among members, to share information on activities related to IUCN mission, to exchange experience and good practice on the conservation of nature for IUCN members in Northeast Asia. The celebration of 70 years anniversary will be the core theme. This meeting also aims at discussions on how to cooperate with ARO and commissions to promote progress towards the implementation of 2011-2020 Biodiversity Strategic Plan in China, Japan, and Korea. Post 2020 biodiversity conservation framework will also be a key issue for the meeting.
